Purpose of the Retreats

Disconnect to reconnect.

The retreats are meant for hard working women who are prepared to reflect and work on themselves, as well as experience new things. Alternated with plenty of free time at the pool and in nature.

Through a combination of:

- Guided coaching
- Recovery practices
- Natural environment
- Delicious and nutritious meals
- Opportunities for 1:1 coaching & training

Reset Retreats

Rebuild Rhythm & Restore Energy

Designed for women who:

- (Almost) never take time for themselves
- Feel overstimulated
- Mentally overworked
- Feel unsatisfied
- Need a week of self care and reflection
- Are ready to be honest and take action

Focus:

- Nervous system regulation
- Core value alignment
- Energy management
- Personal reset
